## Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor

### 'Keep the hammerhead safe' and Tesco's redevelopment.

Whilst I applaud the efforts of the school and the P T A, I am of the opinion that they have just moved the problem further up the road. I have witnessed many young children flooding over the small bank at the edge of Tesco's car park and straight on to the road. Drivers with nothing to do with the School are probably not aware of school hours and drive too quickly round this corner.

I believe the problem with the hammerhead has nothing to do with the cars but the fact that there is no footpath (a problem in a lot of other areas of Bar Hill). Maybe the P T A should be lobbying the Parish and District Councils for a footpath, or how about Tesco? This would be a small price to pay for all the support they have received from a large percentage of the Bar Hill residents. I am not one who supports the enlargement our 'village store' and believe they should never have been allowed to purchase all the land that they have or been allowed to let the Mall get to such a state of disrepair. What is going to happen to the Post Office and Newsagents while everything is being rebuilt?

Will the Post Office be engulfed within the mighty Tesco store, as with the Pharmacy?

### Cottenham Young Farmers Club

*YFC the place to be!*

Registered Charity No. 1030969

Cottenham YFC are a voluntary run youth organisation, run by the members for the members. The first impression most people have of Young Farmers is that you have to wear green wellingtons, drive a land rover and talk to sheep all day. However, if your vision was this you would be **wrong! You don't have to be a farmer to be a Young Farmer.**

YFC is a youth organisation for young rural people aged from 10 to 26 years of age. Members enjoy weekly meetings including talks, visits, and social events. YFC can also offer a wide variety of competitions including ATV driving, Crafts, sports, drama, dancing and lots, lots more.

It doesn't stop there. You can also travel all over the world with YFC, help the local community, learn skills for life, and get involved with local environmental projects.

On the 6th June Cottenham YFC will be attending the County Show, held at Wimpole Home Farm. Members will be showing off their talents of Flower Arranging, Cookery, Metal Work, Wood Work, and Needlework, all receiving a certificate for their hard efforts. The show also includes a food tent, a craft tent, trade stands and main ring events.

The Cottenham YFC calendar is always full. If you would like to receive further information about the Club, please contact the county office **01223 862115** or Abi Elliot (Chairman) **261909**.

## Bar Hill Parish Council

2 The Mall

780456

The monthly meeting of the Parish Council took place on 20 May.

### Grass Cutting

We are aware there are teething problems regarding the grass cutting on the Village, but if you could please bear with us they will soon be sorted out. Should you have any problems regarding grass cutting in your area please contact Paul Lloyd, (Chairman of the Parish Council Environment Committee), during the evenings on 200591.

### Vandalism

We are still experiencing vandalism to trees and benches within the Village. The back of a bench at the Nature Reserve has been ripped off, leaving it in a dangerous state. This will now have to be removed. Trees have been pulled up and the poles snapped and thrown over the area. Trees throughout the village are being broken. The cricket pitch on the Village Green has also been vandalised. The poles and rope were pulled out and thrown into neighbouring gardens. The vandals also dug the poles into the cricket pitch itself and gouged holes in it. Please, if you witness any vandalism would you let us know.

### Play Area Refurbishment

Contractors are now on site refurbishing play areas within the Village. This should be completed within two weeks.

### Illegal Signs and Notices

It has come to our attention that signs and notices are being displayed on the main roundabout into and out of Bar Hill. This practice is illegal, but anyone putting them on the roundabout should at least have the decency to remove them after the event. This also applies to illegal notices displayed around the perimeter road.

### Village Hall Car Park

The Village Hall Management Committee has made a decision to allocate

two disabled parking spaces at the entrance to the Hall. Please note these are only for the disabled to allow them easy access.

### Handy Telephone Numbers

Streetlights: freephone 0800 253529 – quote the CCC No. (which is written on the lamp post).

### Other Matters

If you have any queries it would help if you could put them in writing and post it through the door of Anne Norman's Wool Shop (I collect from there daily). If we receive a letter it can be passed on to the relevant Councillor to follow up; I am then able to see the item through, hopefully to a suitable conclusion.

## Lawnmowing marathon

My name is Mark Wills and in October I am hoping to join a research expedition to Zambia with the conservation charity Greenforce. The expedition is part of an ongoing programme which, in conjunction with the University of Zambia and the Zambian Government, hopes to survey the flora and fauna of Kafue National Park, one of the largest in the world.

To help fund the expedition, I will be doing a lawnmowing marathon on Sunday 20th June, lasting 12 hours, looking to mow as many garden lawns as I can. I am therefore looking for people who would like to have their lawn mowed, in return for a small donation.

If you think you can help, or would like to know more, give me a ring on 200283, or drop a note into 82 Appletrees.

Now that the better weather is here it is essential that we don't make things easy for the burglar. Don't go out and leave windows open and always make sure that your car is secure with valuables out of sight.

Most of us store various items in the garage, so it is important to close and secure the garage when the car is out.

**Cambridge Chord Company**  
Barbershop Harmony Chorus  
United Kingdom Gold Medal  
Champions 1999!

The Cambridge Chord Company (with members from Bar Hill) became Britain's champion barbershop chorus last month, beating over 40 other choruses to win gold at the British Association of Barbershop Singers' (BABS) annual convention in Blackpool.

The choir's performance scored an unprecedented A-rating in all three judging categories - singing, music and presentation - and pushed two previous champion choruses, both giants compared with Cambridge's 26 men, into second and third places.

Cambridge, who have reached silver medal ranking four times in the last five years, also became UK Small Chorus Champions for a record sixth time, and took a new trophy for the most-improved chorus - a recognition of its massive 100 point lead over its nearest rivals.

The 1,000-strong audience heard Cambridge Chord Company sing two brand new song arrangements - the classic ballad *Roses of Picardy* and a medley of the great show songs *Button Up Your Overcoat* and *Steppin' Out* - both crafted by the chorus's Musical Director Paul Davies.

He said: 'To say we are thrilled is an understatement, particularly as we were up against some huge metropolitan choirs. I know that my lads can sing accurately and beautifully, but something special happens to them on the competition stage. They seem to tap into reserves that give their performance an extra, magical dimension. It's remarkable.'

He added: 'We have a reputation for performing innovative material, and we like to do it with a high degree of artistry and musicianship. This, and the fact that we are a relatively small chorus, has won us a lot of friends in the barber-

shop fraternity. We sang to a capacity audience which was willing us to win - and we did!'

Although this is Cambridge's first BABS gold, the choir has already amassed a full trophy cabinet, often with material far outside the barbershop repertoire. As well as being finalists in the prestigious Sainsbury's Choir of the Year competition, the chorus has taken gold at a number of international choral festivals (the latest in Sligo, Ireland, last November). Its flagship quartet, Cambridge Blues, became British quartet champions in 1997.

Said Paul Davies: 'We are a small choir by competition standards. In barbershop, we regularly have to compete at top level against choruses of 100 or more men, and we only just scraped inside the Sainsbury's minimum requirement of 20 singers. It's a good job we make a big sound!'

Cambridge Chord Company was formed eight years ago by Paul Davies and a small band of like-minded singers from the Cambridge area. This year will see CCC's first CD recording, a performance at London's Barbican and a return to Ireland to defend its international trophies.

It will also represent Britain at the world harmony championships in America in 2001, subject to raising enough funds for the trip.

Although the chorus has always resisted the temptation to grow too large - on the grounds that they might not all fit in one tandoori restaurant? - interested singers who would like a try-out are welcome. The chorus practices at 8.00pm on Thursdays at Great Abington Institute. Contact Bob Croft on **01223 512741**.

## Words from the countryside

Whilst walking about the countryside on daily jaunts, you get to notice exactly how beautiful it is.

There's a local wood where Poppy, my black collie/spaniel bitch and I go. It is predominantly an Oak wood, with records going back to the 12th century, and a lot of the oak trees look like they've been there since then! It's a magical place. There's a clearing in the middle with large numbers of hazel 'stools' (the result of once being coppiced),

a small natural pond that was alive with toads just recently, but is now home to their tadpoles. You can also get the occasional sighting of Muntjac deer grazing or, more often than not, retreating deeper into the wood, white tail held erect.

A dozen types of birds abound there also; from Wren to Great Tit and from Great Spotted Woodpecker to Sparrowhawk plus many more. There is a lively rabbit community throughout the wood and a thriving badger population.

Flowers grow there in profusion, Primulas to Dog Violets, Oxlips to Bluebells which at this time of year cover large sections of the wood in a blue carpet, swaying and nodding gently in the gentle breeze.

But what really does it for me are the Oaks. They really are magical trees, standing so high and, for those with the room, so wide. Pendunculate Oak dominates but there are also some beautiful examples of Stagshorn Oak, which are 'something else'! Home to dozens of different species they require up to 200 gallons of water per tree per day!

It's like being transported back in time, standing there amongst the trees, gazing in wonderment at the beauty that surrounds you.

This is one of my favourite places

## Enticing the butterfly

Summer is here and what better way to spend spare time than by relaxing in the garden and watching butterflies dance from flower to flower.

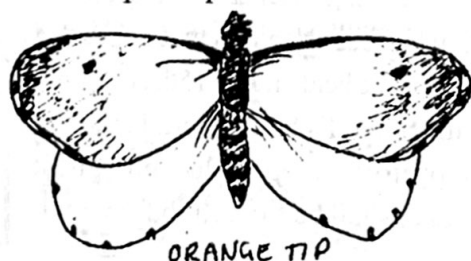

One way to guarantee a good display is by providing the right nectar flowers for the emerging butterflies. Of the smaller plants aubretia seems the most popular, together with other members of the cabbage family, such as alyssum, wallflower, honesty and sweet rocket.

Plantings should be in full sun and sheltered. Shelter is essential if butterflies are to feed and breed and sunshine is important for females searching for a place to lay their eggs.

For Summer and Autumn, classic butterfly flowers are; buddleia, hebe, ivy, lavender, hyssop, thyme, michaelmas daisy, red valerian and various scabiouses. Concentrate on plants that flower late, from August to October, as this is when butterflies fatten up for hibernation or migration.

Butterflies you should hope to see for your endeavours include the cabbage white family (including large and small whites, green veined white and orange tip), brimstone and holly blue butterflies. Skippers, small coppers, common blues, peacocks, small tortoiseshells, red admirals and commas tend to be found in larger gardens.

For more information on gardening for wildlife and on how to join The Wildlife Trust please phone 01223 712400.

## Along the Hedgerow

The stream and the pond at the Nature Reserve have recently been accommodating a Grass Snake, which takes to water like a duck, and will make a meal of Newts and Frogs, given the chance.

Elsewhere in the countryside, I've noticed the early flights of Damselflies, the welcoming call of the Cuckoo, that lets us know Spring is really here. The calls of the visiting Warblers abound from bush and hedgerow. Chiffchaff, Reed Warbler, Whitethroat, Blackcap etc., are all now sorting themselves out in their claimed areas from their rivals, having come all the way from Africa, back to the same bush as last year, hopefully.

The lakes still abound with loads of waterfowl, amongst them the Cormorant, which is doing so much damage to fish stocks at inland fisheries, but which the R.S.P.B. is apparently doing nothing to stop. People whose livelihoods are in danger from the 'black menace' are almost powerless to stop them, whilst they decimate the fisheries.

Crows, Rooks, Magpies etc. can still be shot, because they are a pest to songbird numbers and nests, but the Cormorants, rampage on, unchecked,

Why does the R.S.P.B. do nothing to sort out this problem? Maybe they don't want to upset their members and possibly lose some of their vast revenue each year. It makes you think when they are prepared to spend upwards of £300,000 to eradicate the Ruddy Duck from this country, because it's breeding with some of our ducks, doesn't it?

I wonder, how the members would feel, if the Cormorants came into their gardens and killed and ate whatever they could get hold of. It might possibly be a different matter then. So think how the fishery owner, who is losing his stock, and therefore his livelihood, and will be forced to close down his fishery because the R.S.P.B. wouldn't make a decision, for fear of upsetting their members, would feel.

If you feel strongly about the Cormorant problem, please phone or write to the R.S.P.B. (The Lodge, Sandy, Beds, SG19 2DL or phone 01767 688551) and let them know of your concern. You can help to solve this problem.

I recently sent my membership card back to them, stating the reason why, and will not be renewing it again, until they sort out this problem satisfactorily.

## Pre-School Playgroup

We would like to welcome you to The Bar Hill Pre-School Playgroup.

We are located in the Village Hall Centre on the Village Green and can easily be reached by footpath or from the perimeter road via The Spinney.

The aim of our successful playgroup is to enhance the personal and social development of **all** children placed in our care. This is achieved through the various activities we have in our **two rooms**. This provides the educational setting required by OFSTED. All our sessions are run by our team of trained experienced, and friendly ladies - Heather, Jenny and Gill.

### Session times:-

Mon, Wed & Thu.	9.15 - 11.45 am
Tue. 'Playtots'	9.30 - 11.00 am
Tue.	12.30 - 3.00 pm
Fri. 'Rising Fives'	9.15 - 11.45 am

### Information

Did you know that at our Playgroup we use a vast amount of equipment? This includes a slide, climbing frame, a playhouse, various dressing-up clothes, a Brio train set, a sand/water play area, a painting area, a book corner and far too many puzzles and games to mention!

Each session has a timetable of events in both rooms. Our **Craft Room** provides us with the facilities to develop mathematics, scientific reasoning and Information Technology through a series of topics which incorporates the use of all the equipment.

If you would like to call in and see what we offer please do. The staff will be happy to see you. Our recent OFSTED inspection report, which was

excellent, is held at Playgroup and we would be glad to show it to you.

We offer subsidised places to parents on Income Support and Family Credit. Any such requests go before The Committee and are dealt with sensitively and on an individual basis. There are also discount rates. Please call our administrator, Julie Jolley on **780445** to book a place or for more information.

### Playtots

Good news parents! We've changed the age limit so that your child only needs to be **one year old** to come and join in the fun (the upper limit is now 2½ year olds). This session offers the ideal opportunity to set the 'feel' for playgroup life (interaction with peers, discovering the wonders of one's surroundings, the joy of playing, etc. etc). However there is a catch for the grown-ups - it's a 'Pay as they play' morning!

Please come and see us, our staff would love to see you and are always willing and able to give advice.

### Nursery Grant

Under the Nursery Grant Scheme, if your child is eligible, then the term after their 4th birthday he/she is entitled to **5 free sessions per week**. Please ring Julie Jolley **780445** for more information.

### Places

For 1999/2000 places ring Julie Jolley **780445**. Application forms are available at Playgroup, The Library and the foyer of the Village Hall.

### Diary Date

Important date change. Due to the School having an Open Evening on July 8th it has been decided that our AGM will now be held on July 15th at 8.00pm in the School's Small Hall. I am very happy to announce that our guest speaker shall be Mrs. Ruth Pimental,

reception teacher at the School. She will be presenting a talk on 'Getting your child ready for school'.

### Spring Collection

My grateful thanks to all those who took part in this clever collection. The winners are as follows:- Daniel P, Timothy C, Ashleigh J. Coming up close behind were Charles L, Daniel S, Mary T, Liam B, Hannah D, Kayleigh C, Justin S and last, but no means least, Stephanie B. Well done everyone.

### Rainbow Craft and Play Day

The afternoon will be for all to enjoy and remember. If anyone has any suggestions of other rides etc. that you would like us to book simply let us have the details and we'll see

what we can do.

## Sunshine Pre-School

The Sunshine Pre-School is in the brightly painted building near the School.

As a member of the Pre-School Alliance, the Pre-School offers a secure and comfortable environment for young children to learn and develop at their own pace.

Our newly created garden now has a roadway, climbing frame, children's playhouse, and many other attractive features, stimulating the children's imagination!

Each session is structured as follows:- During the first half of the session the children are encouraged to participate in a variety of activities - sand and water play, painting, craft, construction play and activities to develop reading and writing skills.

Then, after the break for milk and fruit, comes 'show and tell'. This is where the children talk about an item that they have brought with them or a subject that interests them.

In the second half of the session the children are given opportunities to participate in activities that concentrate on the development of numeracy, literacy and social skills.

Note that the term after your child's 4th birthday he/she is entitled to 5 sessions a week FREE. We now accept children from the age of 2½ years (providing they are toilet trained).

### Sunbeams

Sunbeams is our new Toddler session - led by our Pre-School playleader Jo on a Thu. - (1 to 3pm). Each session consists of painting, playing with sand and a large choice of other activities. After a break for milk and fruit, the children play outside (weather permitting) in our fenced off garden, where there is a wide variety of attractive features to play with. The session is then drawn to a close with a sing-song.

### Hiring the building

All day weekends and School holidays - the charges are:-

£4.50 per hour

£5 for 'ride on toys'

## The Colts

Its celebration time again for the Under 15's! A few 'dodgy' results in a hectic last week of activity (four games in seven days) left them needing one point from their last game. A solid performance, however, saw off a Melbourn team by two goals to nil, and the champagne started to flow, all over Ian Crofts, their manager. From all in the Colts, well done to the lads, Ian and his 'management' colleagues. Two promotions in two seasons; will it be the Div 16A championship next term?

Many of you may have seen that our Under 10 teams were invited to go to Wembley on Sunday 16<sup>th</sup> May, to play

on the 'sacred' turf before the F.A. Vase final. A great experience for all of them, and their supporters. That same weekend, the Under 10C Bombers team chalked-up their first ever win, over Godmanchester, and in front of Anglia T.V. cameras. A few future 'stars' in that team, eh?

In fact, the weekend of 15<sup>th</sup> and 16<sup>th</sup> May was a very eventful one, with the Under 7 to Under 15 Presentation Evening on

the Saturday; our thanks must go to the School for letting us use the School Hall.

The Under 16's and 17's Presentation Evening will be held on 29<sup>th</sup> May, and the award winners will be published in next months BHN.

### Dates for your diaries:

6<sup>th</sup> June AGM in the School, at 8 pm  
13<sup>th</sup> June Dad's Five a side (old men in boots and baggy shorts re-united for an afternoon of fun and injury)

I will publish the final league positions in next month's BHN, which incidentally, if all goes to plan, will be my last Colts report. Yes, I've 'hung-up' my manager's coat for the last time. No more jumble collections - wonderful!

See you all at the AGM

*Neville Watson 781488*

## Bar Hill Church Holiday Club Monday August 9th to 13th

Do you know how many gigabytes you want? What about the speed of your modem? Do you want a net server? The demands came thick and fast.

In the face of such questions the man in the shop expected me to give a sensible answer. I smiled somewhat weakly and said that really I only wanted to write letters. He looked depressed. His depression increased when I asked for the cheapest model on the shelf and whether it came with a racing game.

Computers, they are so much a part of our lives; this year it gets worse: they are to be a part of our Holiday Club!

Using the theme of computers we are going to discover 'MegaQuest! God's big plan for the world.' In the face of the evil Dr. Logoff (a computer joke for those who need the translation) Super Harryo, Cronic and Flora Cruft (ask your children or grandchildren about these) try to save the world from the virus fed into the Programmer's computer. Add to this the 'Boot up Boogie', mix in a 'Game Zone Gunge', and gently sauté with the usual bag of games, crafts, songs, fun and teaching about Jesus, and we have the makings of a great Holiday Club.

Registration details will be available very soon. We expect demand to greatly exceed capacity, but we assure you that we will try and be as fair as possible.

Dates for this amazing week are 9th to 13th August, finishing with a service on the evening of Friday 13th at 6.45pm to which all are invited.

Yours in the hope of sufficient stamina,

Rev. Gary Renison.

## Y - the choice

Look at the Y from the bottom up and you notice it is like a road travelling to a fork. At the divide there is a decision to be taken.

Jesus said, 'I am the way, the truth, and the life.' He also spoke of 'two roads' - only one of which leads to everlasting life. That road to life begins by turning our back on all that we know to be wrong and trusting in Jesus for God's forgiveness.

We must all choose. Either the road leading to emptiness and a future without God, or God's way - Jesus - to forgiveness and wholeness.

If you would like to keep this text, it is available in a series of bookmarks simply by picking up a copy of 'The Octagon' from either of the Church buildings or by speaking to Maureen and Ian Hay (789351).

## From Experiment to Experience

*From Experiment to Experience*, a history of Bar Hill Church, 1965 - 1995, has been written by Bryan and Anne Pitman. Publication has been made possible by the sponsorship of members and friends of the Church. The history tells the Church's story from its beginnings and also covers the origins of the Village and its early days. Copies are on sale from the Church bookstall on Sunday mornings or from Jenny Knight, 67 Little Meadow, at £4 each for Bar Hill residents, £4.75 for people living elsewhere. Cheques should be made payable to Bar Hill Church.

## Bar Hill Sports & Social Club

The talk of mid-May was all about the Colts Under 10's team being selected to play at Wembley and demonstrate mini-soccer at half time during the Carlsberg F.A. Vase. Bearing in mind the amount of time (or lack of it), the Managers, Coaches and Committee had to organise things, it was a very successful and emotional day out for everyone. Lesley and I were fortunate to be invited to attend and the amount of enthusiasm and buzz really had to be seen to be believed; it also showed the camaraderie there is for each other. The Under 10's don't run one side but three, so selecting only fourteen could have caused dismay to those not selected, but, and it is a tribute to Players and Managers, as an 'outsider' I couldn't tell who was playing and who wasn't until they went to change. They were ALL "up for the game".

There is much talk of stopping team

games and competitive games in schools. This trip proved the need and the reasons for retaining both. As I said earlier, I am an outsider to the Under 10's and it would be wrong for me to pick out any one individual, but I feel I must mention one person who really summed up the spirit of the team. As mentioned, they run three teams each with its own Manager and Assistant Manager, as well as other Coaches. But the F.A. would allow only three Managers onto the pitch side during the demonstration. Paul Davis, one of the Managers, stood down on the day to allow his Assistant Chris Honey, whose daughter was one of two girls selected to play, to take his place. That, I felt, was a magnanimous gesture not too many would make - giving up the chance to walk on the sacred turf. I felt very proud of the Under 10's set up; it was a day they won't forget in a hurry and one Lesley and I won't forget either.

So next time, when you walk down

the spine path and you see a couple of dozen youngsters running around with their parents screaming enthusiasm from the touch line, just stop for a few moments and give them a cheer. They are our future, the future of Bar Hill and perhaps, just perhaps, having smelt the atmosphere of Wembley, there may be another Beckham or Owen out there. Let's hope so.

### Forthcoming Events

 Sat. 26 June - Jazz Band on Fête day (open all day)

### A view from behind the Bar

Welcome to what I am afraid will be the last view from the bar. By the time you read this I will have taken over the stewardship of Fulbourn hospital Sports and Social Club and, although I will still be living in Bar Hill, I will be spending most of my time at Fulbourn.

Anyway, the beers pre-booked for June are well worth trying. Starting off we have Adnams Regatta (4.3%) a clean tasting, thirst quenching pint.

Also on around the same time Coniston Bluebird (3.6%) named after Donald Campbell's ill-fated water speed record craft. It's a complex ale full of fruit and gives a lingering soft finish. The brewery was only started up in 1995 and the beer won the champion bitter beer of Britain contest by CAM-ERA last year. It's not often found in this area so try it while you can!

Following on, Old Speckled Hen (5.2%) from Morlands of Oxfordshire.

A very distinctive beer, well balanced with a sweet malty taste that gives way to a dry hoppy finish. To offset the strength of this beer try a pint of Everards Beacon (3.8%) a fresh clean taste with a very nice hop aroma.

In the week before our mini beer festival (see later) Jolly's D-Day (4.1%), another in the millennium series from Batemans, all of which have so far proved very drinkable. This will be joined by my all time favourite ale, Woodfordes Wherry (3.8%). When on form, this is one of the nicest session beers around, full of blackcurranty fruitiness. I can't wait!

At the end of the month (25th, 26th & 27th) it's our 3rd mini beer fest! As usual we will have a selection of around 14 different beers to choose from, including milds & a wheat beer, from all over the UK. I am at this very moment getting the tasting notes together and can promise you some truly wonderful

beers. We will be open all day on Saturday and Sunday and will have a live jazz band between 2 and 5 on the Saturday (Fête day if you'd forgotten!) If you've never been up to the Club this is the time to visit us!

Wine of the month - Rowlands Brook Shiraz from Australia, a soft easy drinking red wine.

Competition time - Congratulations Dawn Miller. The correct answer was: hops are used to give aroma, bitterness and (here's the one that caught most people out) to act as a preservative.

This month's question - Batemans produce a beer called Salem Porter. What is it named after? (Clue: think about Oct. 31st). 4 pints to the winner. Answers behind the bar by 20th June.

That's it. Keep supping & real ale is best!

### Colts under 10s at Wembley

Following our recent trip to Wembley, we would like to thank all those who made it possible, especially the Social Club for supplying the coach and those wonderful tee shirts. We all had a great day and warm thanks go to Leslie and Graham Sadler who have supported the event from the beginning. We would also like to thank Diane Chapman, Secretary of the Colts, for co-ordinating the event with the FA.

## THE GUIDE ASSOCIATION

Both Brownie packs have attended Brownie Revels during the last term and had a busy day doing crafts based on the Easter theme.

The Guides and Brownies have been on a joint weekend camp and pack holiday to Paterson Lodge in Norfolk. The Brownies pack holiday had the theme of Babe, and the Guides camp was on the theme of the Teletubbies. Whilst there the Guides visited Wroxham Barns and bottle fed the baby lambs, then walked into

Wroxham and visited Roys of Wroxham. The Brownies, meanwhile, went pond dipping and boulder climbing. Everyone had a very enjoyable weekend.

Some girls from each Brownie pack and Guide unit will be taking a trip to London to visit The Guide Heritage Centre on June 26th.

It is hoped that we will be given permission by the Parish Council to plant 2000 daffodil bulbs under the Bar Hill sign at the entrance to the Village. This will be a sponsored event and all money raised will be donated to the MacMillan Nurse charity. If anyone knows of a supplier who would be willing to either donate the bulbs

or give us a reasonable discount could they please ring Wendy Arrowsmith on 781381.

We now have two Rainbow units, two Brownie packs and one Guide unit, which means that, in total, we have about 150 girls.

If anyone is interested in helping the Guide association of Bar Hill in any way or any girl wishes to attend any of the units from Rainbows to Guides, please contact Denise Fear on 202846.

## Happy Hours

### Ellen Louise Drewell

Among the last words I wrote in May's BHN were those reporting that Phyllis and I had arranged to see Ellen in Addenbrookes. Unfortunately, due to food poisoning and very severe colds (that we wouldn't dream of taking to a hospital) we did not go. Then, very unfortunately, our beloved Ellen passed away.

I always find it difficult to write about the passing of anyone associated with the Club, but Ellen to me was a special person. I called her the 'darling bud of May', because that was what she was to me. She always had that smile that non of us will ever forget - I know I won't. God rest you my little darling, it was so lovely to have been your friend. I know my respects will be shared by all our members, especially Fred Styles who knew nothing of her passing until some days afterwards. Phyl-

lis, and all of Happy Hours, would like to thank all those who attended the cremation ceremony.

Our deepest thoughts and love go out to her daughter Maureen, her sister and the rest of her family at this trying period. Her grandson came over from Paris to read a few familiar verses from that well known poem 'all is well' - *'Why should I be out of mind because I am out of sight? I am but waiting for you. For an interval. Somewhere very near. Just around the corner. All is well'.*

*She lived respected and died regretted.*

**Well done Peggie Newman** Our members wish to thank you for holding a Jewellery Sale on behalf of the Happy Hours Club. £21.18p was collected from all her hard work which was donated to Happy Hours

**Summer Fête - 26th June.** We will be holding our usual 'bottle stall' the prof-
